

The following is from the book **"Throw Jezebel Down"** by Robert Summers.
<https://www.summersministries.com/> and <https://www.icanadvance.com/shop>
Have typed it in for you to get it fast to get going and cut all the ties to Jezebel.

"Without question Jezebel desires to influence your life in every capacity insomuch that you will never achieve any measurable peace. When afflicted by Jezebel, your peace is stolen and your life is miserable.

It doesn't take the anointing of Elijah to root Jezebel out of your life. It takes a citizen of the Kingdom of Heaven that understands their rights to simply say **"NO MORE!"** No more will you tolerate her witchcrafts. No more will you tolerate her influence, abuse, control, manipulation and sorcery.

You can plainly see that the devil or any of his demonic host, including Jezebel cannot overpower a believer. However, the enemy can deceive a believer.

The Greek word for 'wiles' is 'Methodeia' Meaning – methods, cunning arts, deceit, craft and trickery. (trickster)

Our battle is not against the devil himself, but rather our battle against the deception of the devil. This is precisely how Jezebel navigates her way into churches, families, business and individual's lives – through deception!

Jezebel is a master at disguising herself. Her greatest asset is to remain hidden. She is phenomenal at blending in and remaining undetected by most people. She is like a chameleon in the spirit. Her highly developed ability to appear one way yet operate in a completely different manner causes a whirlwind of strife, confusion and havoc. Jezebel initially comes across as the innocent bystander. Many times she plays the role of a victim of others. This is designed to weaken her intended prey.

As you probably know by now, Jezebel has perfected the art of lying. This spirit can manipulate the host and its victims and make them believe up is down, and right is left. She is notorious for hypnotizing her prey through a manipulative tactic called false compassion. She will make you feel she's for you, and no one else understands you like she does. This could operate through a friend, a church leader or family member. Jezebel's Mothers will use false compassion as a means to control her children. Remember, Jezebel's ultimate goal is to gain control over your life.

Again, most of Jezebel's tactics are performed in a covert manner. As long as Jezebel gets her way, she's fine and will remain under the radar screen. However her chameleon like style is nothing more than a painted face that will have you embracing her treacherous ways.

The painting of Jezebel's face was something more than a fashion statement. For a queen, it was a way of displaying her rank as a higher power. Jezebel takes pride in her masterful ability to deceive her host and victims. It is her way of flexing muscle and letting you (and

others) know she is in charge.

Let's face it, your encounters and subsequent bondage with the Jezebel spirit did not occur overnight. Jezebel picks at your life little by little. If she can find one crack in your life, she will expose it and capitalize on the opportunity to seduce you into her bedchamber to perform her commands, or, aggressively assault you thus rendering you weak, timid and depressed. (*why were we gathered in her bedchamber – really so wrong – all by the book*).

Jezebel embeds herself effortlessly in those that came from a dysfunctional family. Families that have a history of addictions (drugs, alcoholism, tobacco, foods), sexual perversions and promiscuity, mental illnesses, poverty, depression, laziness, abuse (verbal, emotional, physical, sexual) and parental domination – attract Jezebel to them. Additionally, those that carry deep hurts and wounds from the past, and are unforgiving and bitter become magnets for this ghastly spirit to latch on to. Because this occurs over a period of time, the spirit of Jezebel creates a fortified place in your mind called a stronghold. This stronghold lodges deep within your subconscious (heart). Everything you do or say comes from the programming that exists in your subconscious. Jezebel creates a delusion or false-identity of yourself. Internally you view yourself in a manner that is not conducive with what the word of God says about you. Externally, your view of others and the world around you is perverted. With that type of mind-set you end up miserable, frustrated and never achieve your true destiny in life.

To keep you bound for life, Jezebel will keep you active. Perhaps she will lead you down a path of some form of 'success'. However, activity or movement alone means nothing if you're headed in the wrong direction. And success in the wrong thing is a catastrophe that steals your time, relationships and Kingdom purpose. This is called being entangled in her web of destruction.

Breaking free

To liberate your-self from Jezebel is not as difficult as some it out to be. I've read many publications that give you all the steps, formulas and ways to tackle this ancient spirit. But at the end of the day, after all the fasting and shouting, after the countless prayer lines to have hands laid on you and the numerous ounces of oil poured on you, it all comes down to this – **STOP TOLERATING JEZEBEL!!!!**

The Jezebel spirit has power simply because you have tolerated it. As a born-again believer you are a citizen in the Kingdom of Heaven. As such, you have full rights, privileges and benefits of the Kingdom. This is why understanding the Kingdom must be your first priority! Without a significant comprehension of the governing authority of the Kingdom of Heaven ruling in your life, you will never truly realize the authority you have to contend with evil.

Your authority as a believer is because you are a citizen of Heaven. With Jezebel it's a constant battle for people in authority, specifically believers. As long as you are in authority you will run into this spirit. So, what you do you need to do? **CONTEND WITH JEZEBEL!!!!**

Jezebel needs to learn the meaning of the word **NO!** This book is designed to assist you in

saying **NO**. Whether through **declarations, decrees, binding, rebuking or renouncing**, it's time to come out of agreement with the spirit of Jezebel and reverse the affects of her vicious attacks.

Start now by verbally saying out load, "I will no longer tolerate the spirit of Jezebel from operating in or through my life." Say it again; emphatically, "**I will no longer tolerate the spirit of Jezebel from operating in or through my life!**"

Glory to God, Jezebel's days are over.

Declarations, decrees and commands are actions of faith. Faith can move mountains. Mountains represent obstacles that stand in your way and keep you from knowing your true purpose in life and ultimate destiny.

Begin now to use the authority that you have as a believer to "tread on serpents and scorpions" (Luke 10:19) and over all the false power (authority) of Jezebel.

Renunciations

Renunciation is one of the most powerful tools that a believer can use to free themselves from Jezebel's sorceries and witchcrafts. In my many years of deliverance ministry, I have found that when a person begins to renounce all relations with Jezebelic networks, (allegiance to her will, alliances and agreements made through demonic people, places or things associated with her networks) that there is an immediate lifting of demonic oppression and increased mental and emotional clarity.

As you begin the renunciation process you are effectively coming out of agreement with Jezebel's plans, purpose and direction for your life. Renouncing Jezebel is letting her know that you reject her claim to your mind, will and emotions.

Renouncing Jezebel and her network is **YOU** taking authority. As you begin to pray these prayers of renunciations against Jezebel and her incantations, you are letting that spirit know you disown and reject it. You are boldly stating that you no longer belong to anything tied to Jezebel. Renouncing Jezebel informs her that you have resigned from any partnership with her and no longer have any allegiance, obligation or duty to her network.

Remember the spirit of Jezebel considers her host her property. Over the years, Jezebel's cunning craftiness may have tricked you into coming into agreement with her ways. Whether you knew it or not, Jezebel set you up to do her bidding. Your behaviours, actions, communication and thoughts were motivated by her influence on your life. Through her deception she employed your life to enlarge her evil network. Perhaps you've been a victim of Jezebel's witchcraft and find yourself in a state of hopelessness, frustration and despair. It's time to break free through the renunciation process.

As you go through the process of verbally renouncing the spirit of Jezebel, you may begin to experience a lifting of the heaviness and weight from Jezebel's domination over your life. As her oppression begins to lift off you, continue to press as a warrior determined to root out every area that Jezebel gained a stronghold in.

To renounce is to deny. Begin to deny Jezebel any rights into your life ever again.

—

Heavenly Father, I ask for your forgiveness for being an enabler to the spirit of Jezebel. I have tolerated her ways and she has controlled my life long enough. Binding, Breaking, Cutting & loosing

While the terms **"binding"** and **"loosing"** have been somewhat abused in Christianity, specifically among groups that believe in spiritual warfare and deliverance, there is a place for it when contending with the spirit of jezebel. In it's simplest and purest forms; to **"bind"** is to forbid, and to **'loose'** is to permit.

To bind and loose is the authority to declare what is God's mind on a matter of doctrine or practice. To **"bind"** is to force, compel, make or require. The authority to **"bind"** is only valid when used in submission to Christ's word or teaching. It does not give the church the

authority to develop or engage in esoteric teachings or practices. Therefore when "binding" one must make certain that they are submitted to God and not simply going through a religious exercise.

When contending with Jezebel's witchcrafts, binding is the application of taking the responsibility to stop her from further carnage in your life.

Breaking and **cutting** are terms used in deliverance ministry and when engaged in warfare prayers, they are very effective terms when receiving deliverance from Jezebel in your personal life.

Binding, breaking, cutting and destroying the effects of Jezebel against your soul is a forceful way of verbalizing your Kingdom authority and root out the altars of idolatry, perversion and witchcrafts that you or your ancestors have erected. As Kingdom citizens, you are called to remove obstacles in your life that hinder and oppose.
